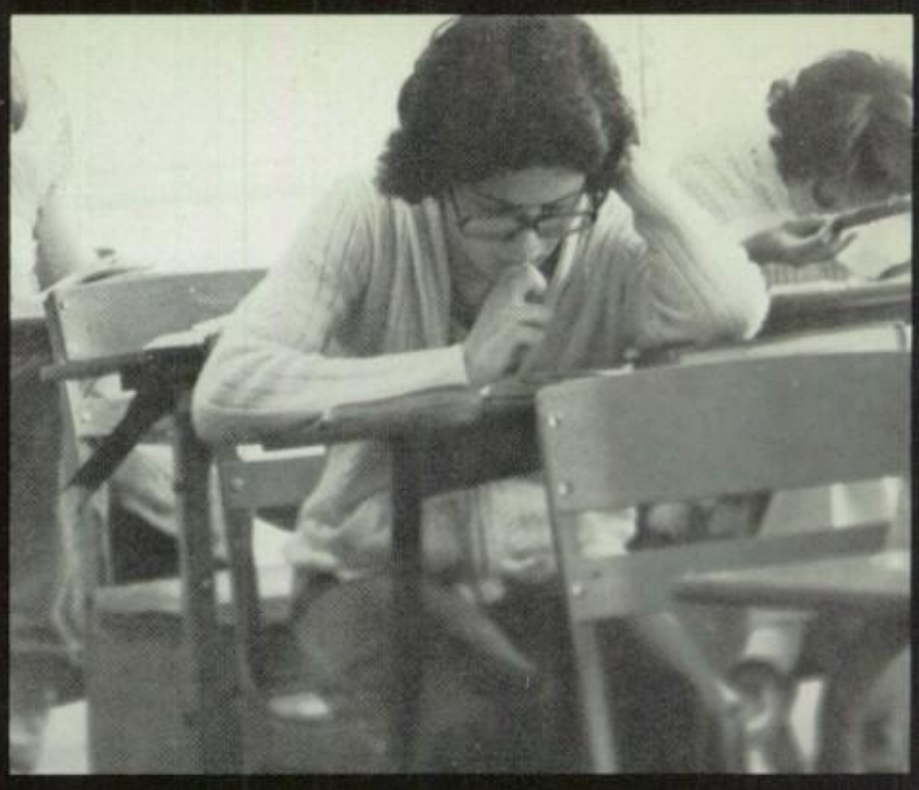
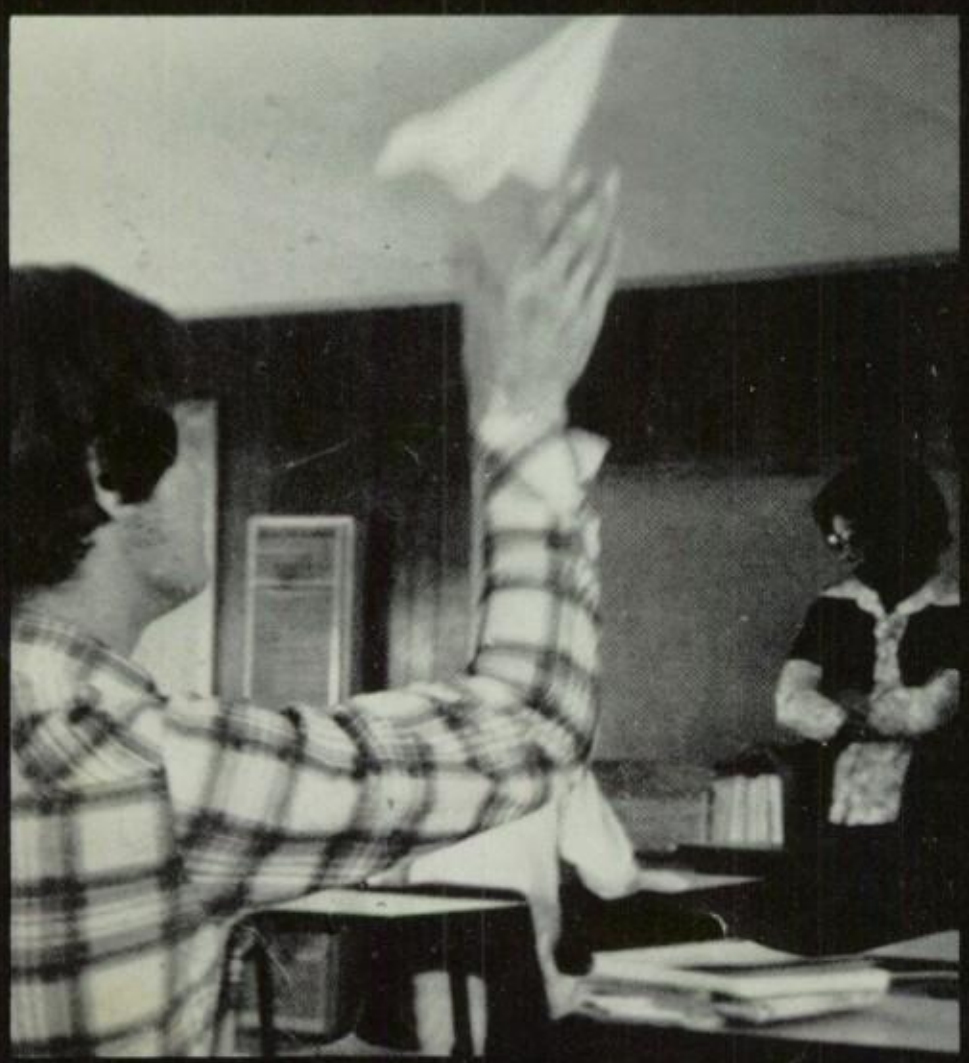
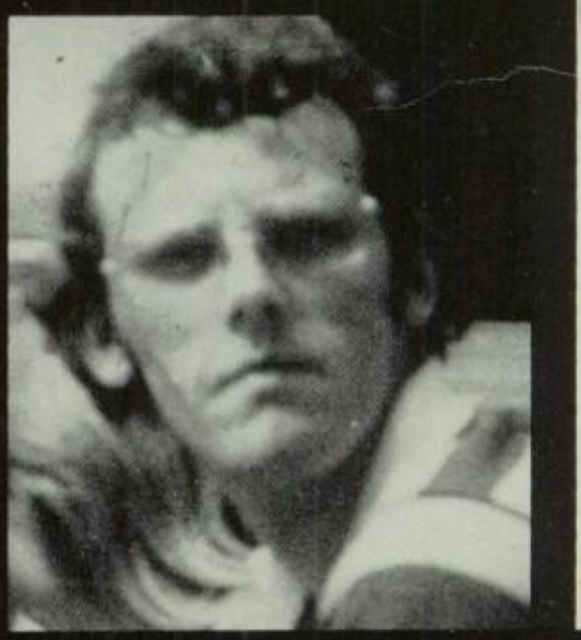
Day to Day







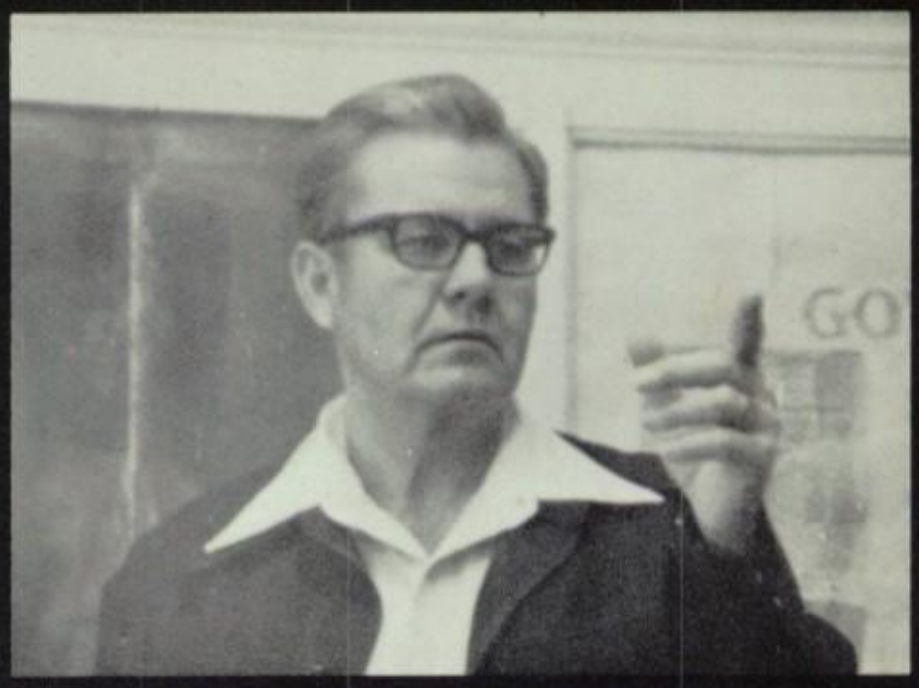
Dressing out for P.E. is such a pain.

New seniors taking over.

COLD?!?

Coach Fuller giving advice.

Learning First Aid.



Making a good point of government.

Up to no good! No doubt!

Waiting for the bell to ring.

Year to Year

Forever Stepping Upward

King of the _____???

A new Chemistry teacher???

With careful study.

Learning through experience.

Just by growing older.

Coach Reed putting you to work.

With the Coast Guard.

on the Ladder

Have you reached your goal, Steve?

Better pay attention, Ted, if you're to keep climbing.

Liz, you'll make it to that truck driving.

Standing tall and proud can help.

Do you believe that innocent face?

Mike always did get goal posts and ladders confused.

Seniors are ready to step to the top!!

Ricky, you look like you're on a natural high.

of Life

Life can be all smiles.

Hi, Stacy.

Life should be happy; not sad.

Love helps.

Bonnie, life is smiling in your eyes.

Life for Nicky is eating cookies.

Life is peaceful.

It can be young.

It won't hurt ya to smile.

and Maturity

Your better side, right Paxton?

Please let 'em go!!

Funny?

Silly aren't we?

Elton John style.

Say ahh-.

This is maturity?!?!

Cute grin.

Eyes only a mother could love.

Wish I knew the joke about the bunny rabbit!

Hoping and Truly Striving

To keep up with Cheryl.

Tap those keys!

Fresh freshman.

To get a longer lunch hour!

Hi Karate really works.

The six most wanted men, but by whom?

Striving to teach us poise.

Friendly faces.

For an embrace.

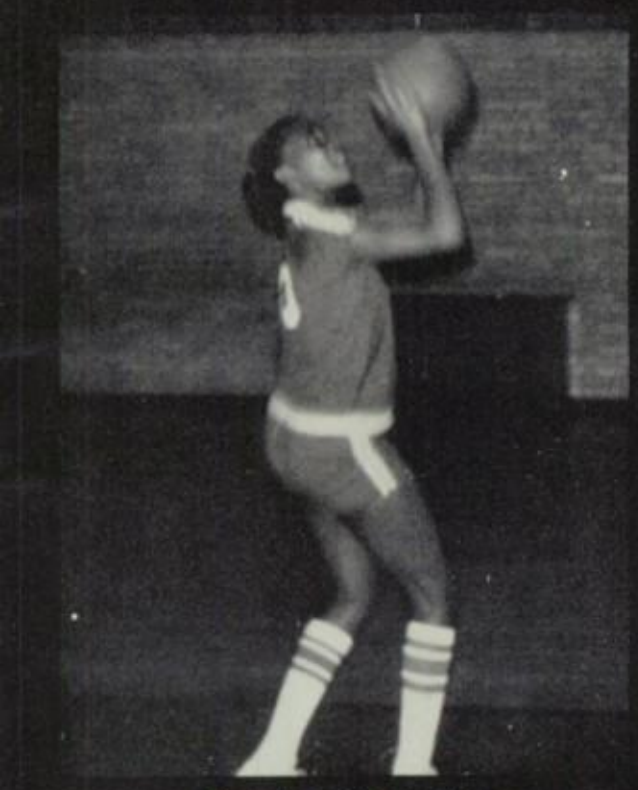
Striving to show us something!??

Trying to finish up those signs for Friday night. Look familiar???

to Reach the Top!

Going to work is a start!

Reaching the top is the idea.



Reach your goal.

The wind is blowing you to the top, right Gerard?

Connie, have you seen a ghost?

Seniors are still climbing.

Reaching, growing, but still having fun.

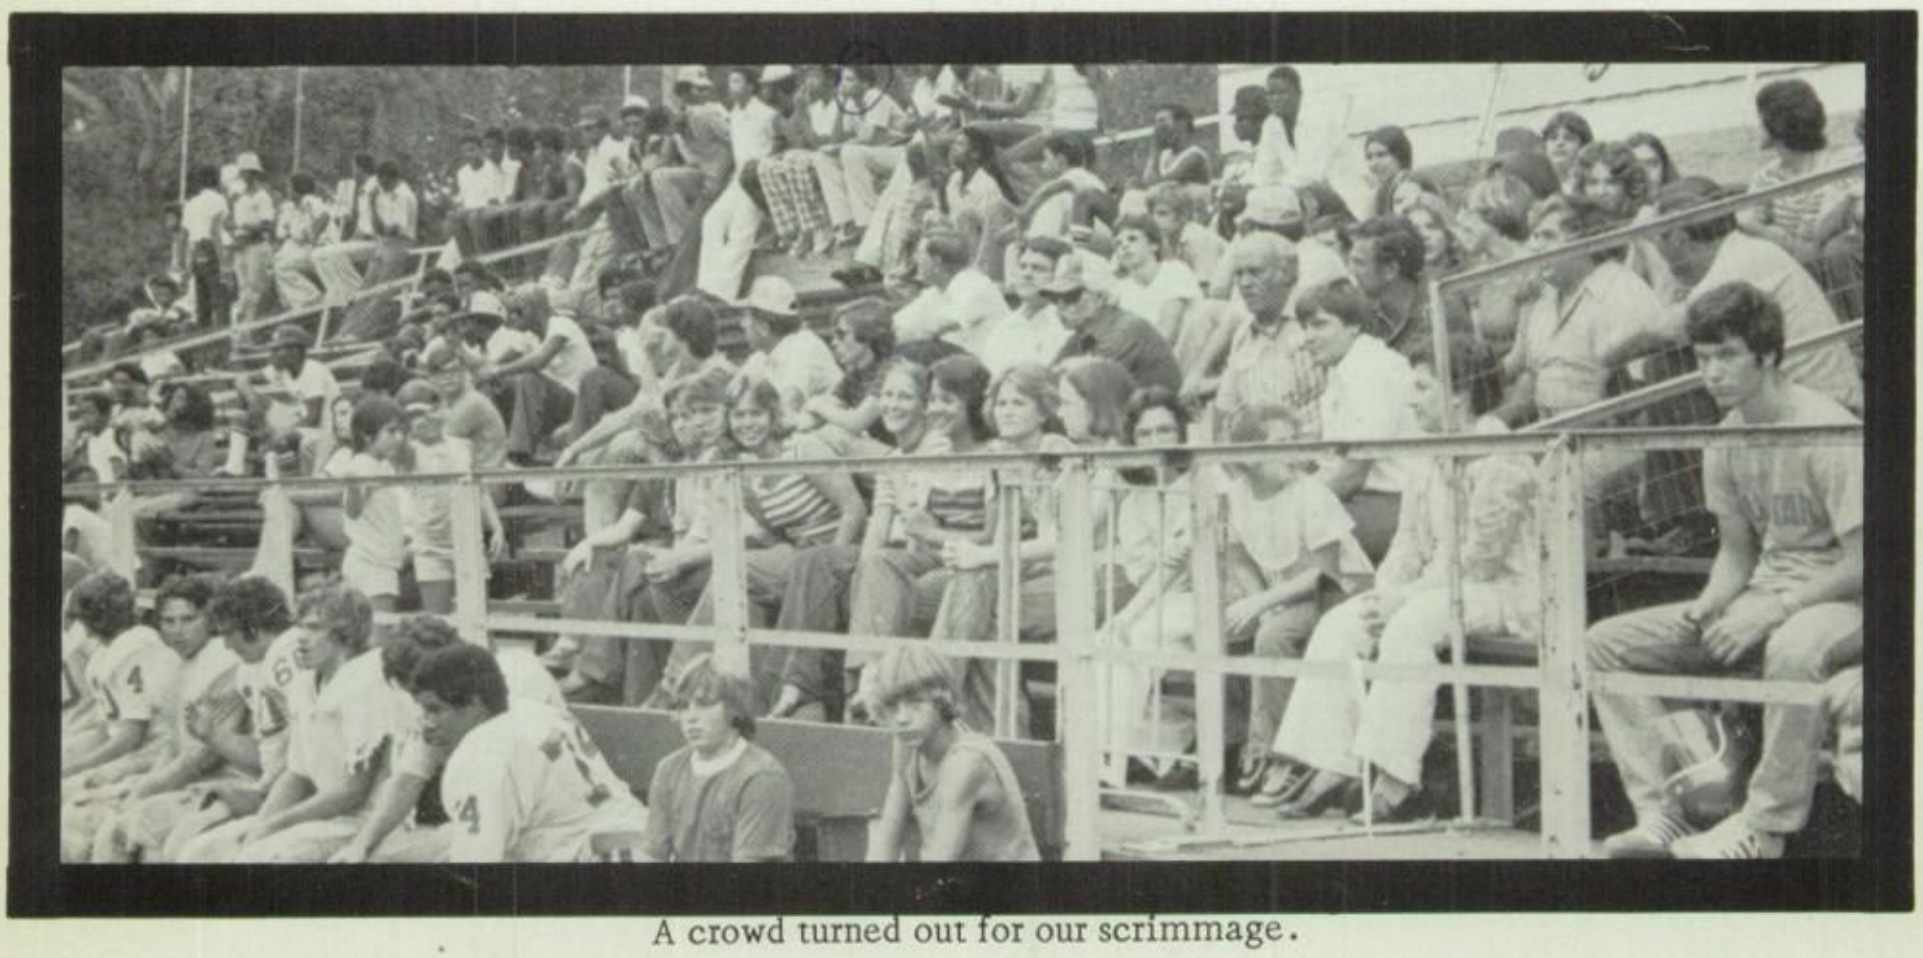
Remember When:

Shirts gave away secrets.

Mike got his first excused hall pass.

George was more of a gardner than a student.

Mr. Hendrix's famous words were, "I don't give a rat's _____!!!



A crowd turned out for our scrimmage.

B.H.S. football players played in the streets.

Steve tried to blow up the lab.

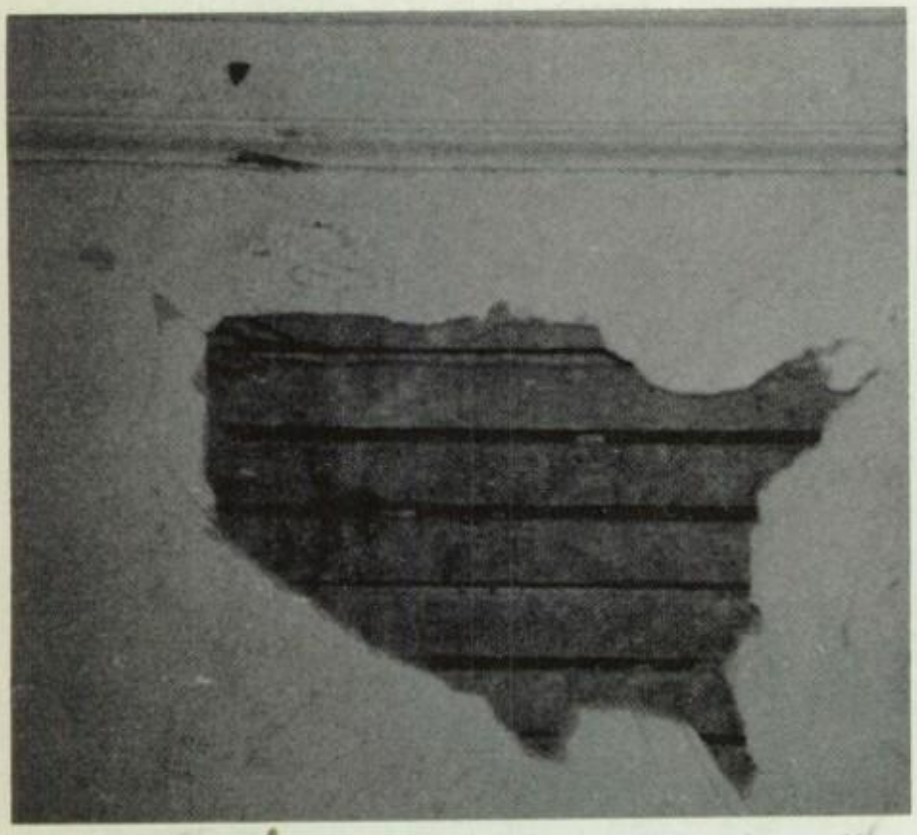
Billy was "FUNNY"!?

Mr. Anis Shorrish visited us.

Wonder Woman kept the guys straight.

Freshmen had absolutely no choice and moved in herds.

Remember When:



A map of the United States was a hole in the wall.

Bunkie High consisted of cowboys and Indians.

Karen listened to David's secrets?

Tut raised his arm and Knocker held his nose!

Joi had something to hide.

Karen got promoted to the 1st grade.

The U.S. Army paid us a visit.

D. E. was "Working at the carwash."

C.O.E. had such dedicated secretaries.

The seniors stole the cop's car.

Chris had to clutch his crutch.

Becky did her daily checking up?

Mayor Constant visited S. A. Council.

The seniors raised money.

Gathered around the Army helicopter.

Gangster of love!?!??

Can you remember when Deborah and Betty were really raring to go?

What a way to come to school! Determination?

Figure this one out, yourself.

But what for???

Resting before a rough afternoon.

Pilot or stewardess?

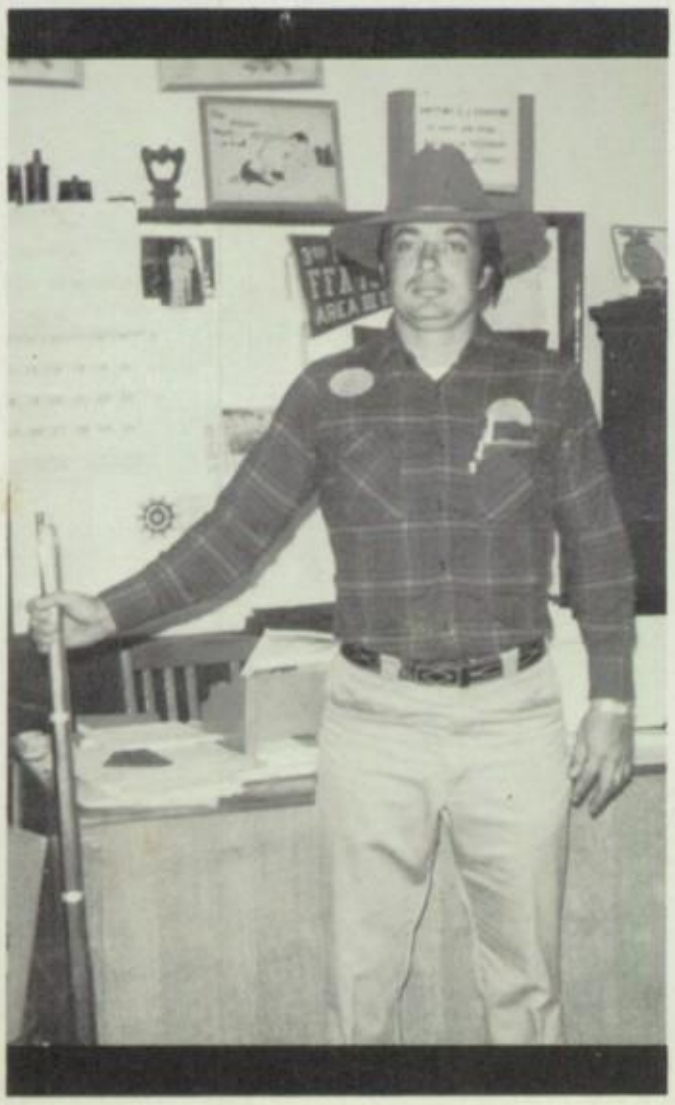
A special thanks goes out to Jim Levy and The Bunkie Record for providing many of the pictures in our yearbook.

What's Happening?

ACTIVITIES

Spirit

Week



Fifties day has become a part of our spirit week and seems to have reached its peak!

Spirit Week Conclusion: Our Parade

And the Seniors did it again!! They won the spirit stick for the third year in a row . . .

Awards Day

We always enjoy having Mr. Pearce as our guest speaker on Awards Day. It is greatly appreciated. A special thanks goes out to the Avoyelles Trust & Savings Bank for all the time and money spent on the students of Bunkie High School.

Honored here are the state literary rally contestants. Johnny Johnson went to state in French II; Mary Pia Bordelon represented us in Advanced Math; Sherrie Tanner in Home Ec. II; Kathy Roy in English III. Missing for the picture are Martha O'Brien for Home Ec. IV and Phillip Heiman for Ag. III.

State Speech Rally was attended by Wayne Firmin in oratory, Lenore Feeney in oratory, and Lolly Griffin in interpretative reading.
Congratulations to all of you!

Congratulations to the chorus class of Mr. Anthony Green for placing second in the District Chorus Rally.

The proud recipients of the Most All Around Band Member and the Special Thanks Award which was greatly deserved by Mr. F. Lacour. Congratulations to Miss Colleen Michael.

And the band played on during the honors night.

Chris Juneau giving Mr. Lacour his trophy.

Boys' State

David Juneau, Ronald Roberson, Travis Hukins, and Kenneth Lindsey to Boys' State.

Girls' State

Kathy Roy, Deborah Simmons, Carolyn Albritton, and Lelia Haack to Girls' State.

Honors

On March 9 in the Monroe Civic Center Connie Marks was presented a small gift in honor of her coming out first in our district as the D.A.R. Good Citizen.

These four students need to be recognized for their hard work throughout high school. They have been rewarded with 4 year scholarships. They are Mary Pia Bordelon, Marshall Morrison, Martha O'Brien, and Donna Bernard.

To the right are the two recipients of the Science Award presented by South Central Bell Co. They are Connie Marks and Melanie Haynes.

Christmas Formal

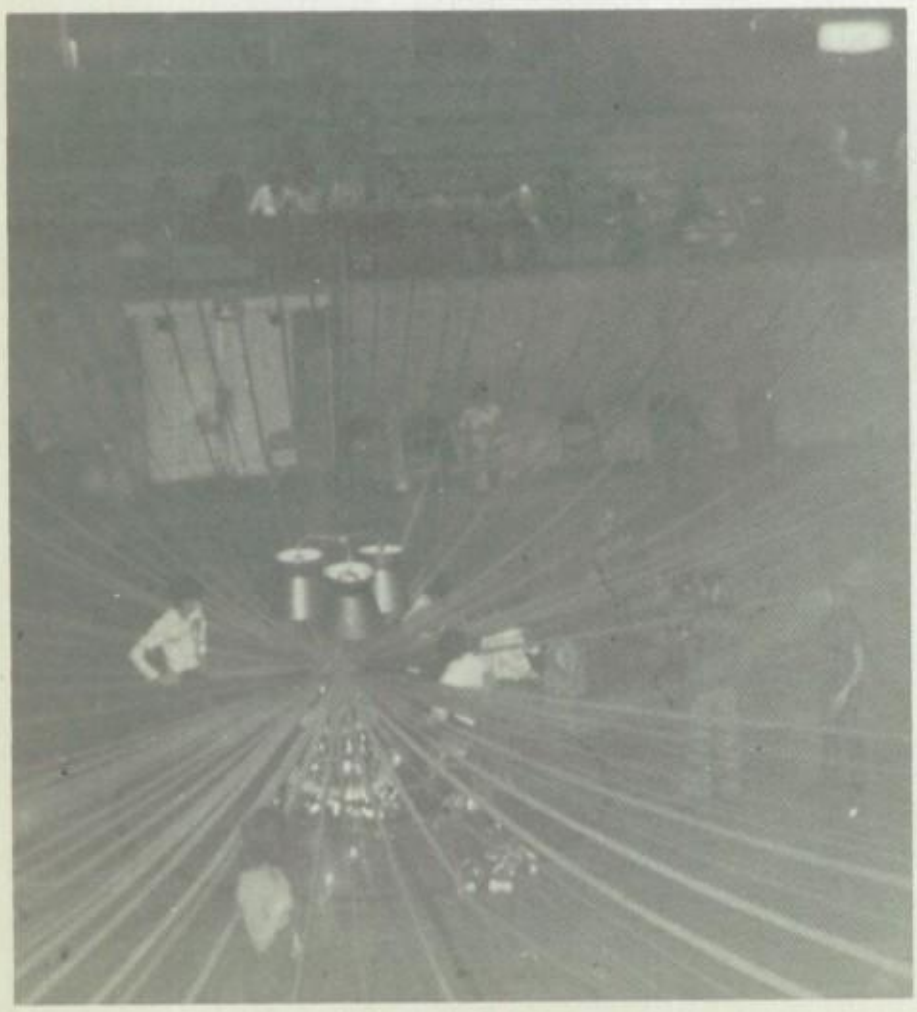
As we waited for the band to arrive we just socialized!!!

Mrs. Elizabeth was kept busy keeping us cool after all our dancing.

F.H.A. took their time in making the tree and girls lonely.

Red and White

All the work was well worth it because the ceiling was beautiful. The band was there on time and the dancing was fine. Some of you never had a chance to sit down.



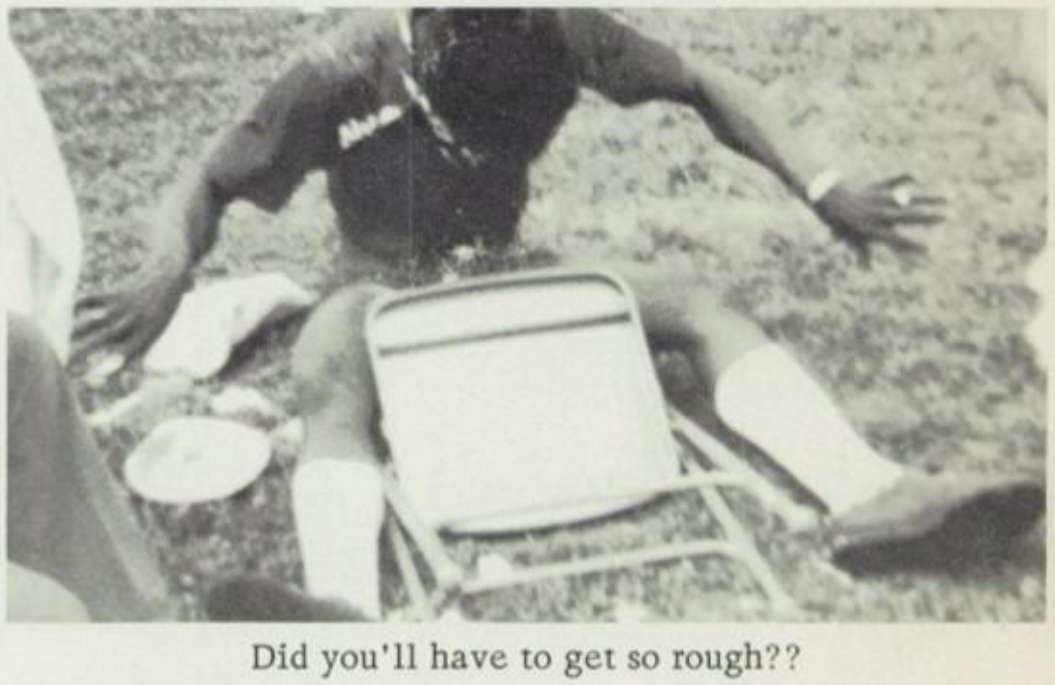
Then came the main event of the evening: The crowning of the Booster Queen - Lori Lejeune by Mr. Hendrix.

Pie Throwing

Mike put his whole heart into this pie!!

Hold on to what you got, Coach!!

It takes two hands to handle a whopper!



Did you'll have to get so rough??

Mike's an old pro by now, right Ricky?

Coaches you have only F.B.L.A. to blame for this sudden attack!!

Homecoming

Before the game everybody was hustling to get the party underway. The homecoming court in the meantime played cowboys and Indians with their escorts.

in Action

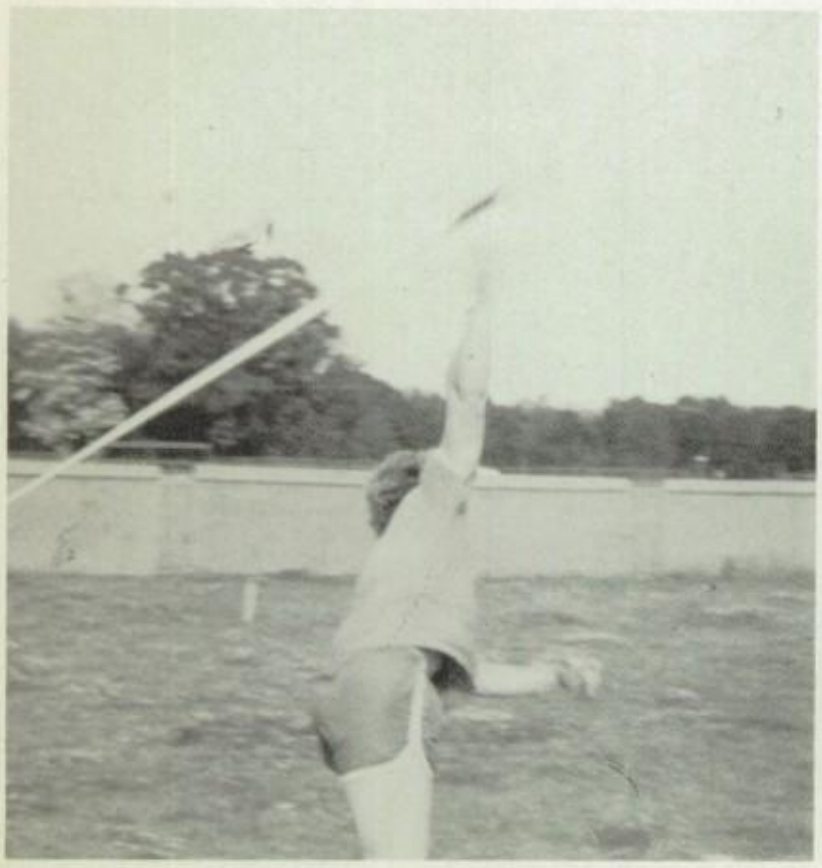
You got it, Melvin!

Freddie Johnson our best distance runner.

Jim Bowie coming in first at O.H.S. in the preliminaries.

Kojak running a close second with Walter Smith.

Roger on his way to the top, hopefully over the bar.



Mike Young fixing to chunk that stick!!

It's hard to tell whose win this will be. Looks like Terry "Kojak" has got as good a chance as any other out there.

An Exciting First Year

This was the last handoff on our girls' fastest 880 Medley. It was also the last race we ran this season.

Connie, how does it feel running a race with 33 other girls?

LaBorde you look just a bit tired after that 440!

A fine handoff between Fran and Winnie, making the 440 relay just a bit quicker.

Being this was our first year for a girls track team, we can be proud of their accomplishments. A special thanks goes out to Mrs. Arnaud for her time and patience with such an inexperienced group. Hope to see more of you out next year to keep this team spirit growing strong for years to come. Congratulations to all the girls that placed in any of their races.

Youth Expo Volleyball

A special thank goes out to the teachers who took their time and trouble to help us represent Bunkie High School at the youth expo in Marksville in Feb.
